

ALEN 77 FLY

ALEN YACHT

ALEN 77 FLY

The Alen 77 walk-around yacht is a stunning masterpiece of design and engineering, with sleek lines, impressive performance, and exceptional handling. This luxurious yacht is designed to provide the ultimate in comfort and style, with ample living areas and state-of-the-art technology.

One of the standout features of the Alen 77 is its walk-around deck, which provides a 360-degree view of the surrounding water and allows for seamless access to all areas of the yacht. The deck is equipped with comfortable seating and various lounging areas, making it the perfect spot for entertaining guests or simply enjoying the sea breeze.

Inside, the Alen 77 boasts spacious and elegant living areas, with luxurious finishes and meticulous attention to detail. The main salon features a comfortable seating area, a dining table, and large windows that offer breathtaking views of the surrounding water. The yacht also has a fully equipped galley and three luxurious staterooms, each with its own private bathroom.

The Alen 77 is powered by twin Volvo IPS 1350 engines, delivering impressive speed and efficiency. The yacht is also equipped with advanced navigation and safety systems, ensuring a smooth and safe journey every time.

If you're looking for the ultimate in luxury and style on the water, the Alen 77 is an exceptional choice. With its striking design, exceptional performance, and luxurious amenities, it's the perfect yacht for exploring the world's most beautiful destinations in style and comfort.

The Alen 77 Flybridge - a stunning masterpiece of design and engineering.

With its sleek lines and impressive performance, the Alen 77 is the ultimate expression of luxury and sophistication on the water. Every detail has been meticulously crafted to provide the perfect balance of comfort, style, and performance.

Whether you're entertaining guests or relaxing with family and friends, the Alen 77 offers spacious and elegant living areas, state-of-the-art technology, and exceptional handling.

With a range of customizable options available, you can create your own personal paradise on board. Experience the thrill of the Alen 77 and discover a new level of luxury and style on the water.

Alen 77 platform features a hydraulic mechanism that allows the entire stern area of the yacht to be lowered into the water, creating a spacious and stable beach club or water access platform. This functionality provides a seamless connection between the yacht and the water, enhancing the onboard experience.

This innovative system can be used for a variety of purposes, such as launching and retrieving tenders, jet skis, and other water toys, as well as providing a convenient and safe platform for swimming, sunbathing, and water sports activities.

Our state-of-the-art grill station allows you to create culinary masterpieces in an unparalleled setting. Equipped with a teppanyaki station, it offers an extensive range of cooking possibilities, from grilling succulent seafood to crafting your signature dishes with ease.

The spacious aft seating area is a serene retreat where you can unwind in the lap of luxury. Sink into plush, comfortable seating while you bask in the warm sun or relax in the shade of a retractable awning.

The generous layout allows for leisurely lounging, enjoying a good book, or engaging in lively conversation with friends and family.

Whether you're enjoying a sun-soaked brunch, an intimate dinner under the stars, or simply taking in the mesmerizing sea views, our meticulously designed outdoor spaces provide the ideal backdrop for your culinary and social indulgence.

Prepare to be captivated by a galley that defies expectations, equipped with top-of-the-line gourmet appliances and boasting double-height ceilings that not only expand the visual space but also create a kitchen that's a work of art in its own right.

The towering windows bring an abundance of natural light, bathing the space in a warm, inviting glow. This not only enhances the aesthetics but also ensures that the galley is a cheerful and uplifting environment for culinary creativity.

Welcome to a world of interiors that effortlessly blend style and comfort, creating an ambiance that exudes sophistication while inviting relaxation.

Alen 77's interior design epitomizes the concept of "effortlessly chic," where every element is carefully curated to achieve a harmonious balance between aesthetics and ease are defined by understated elegance.

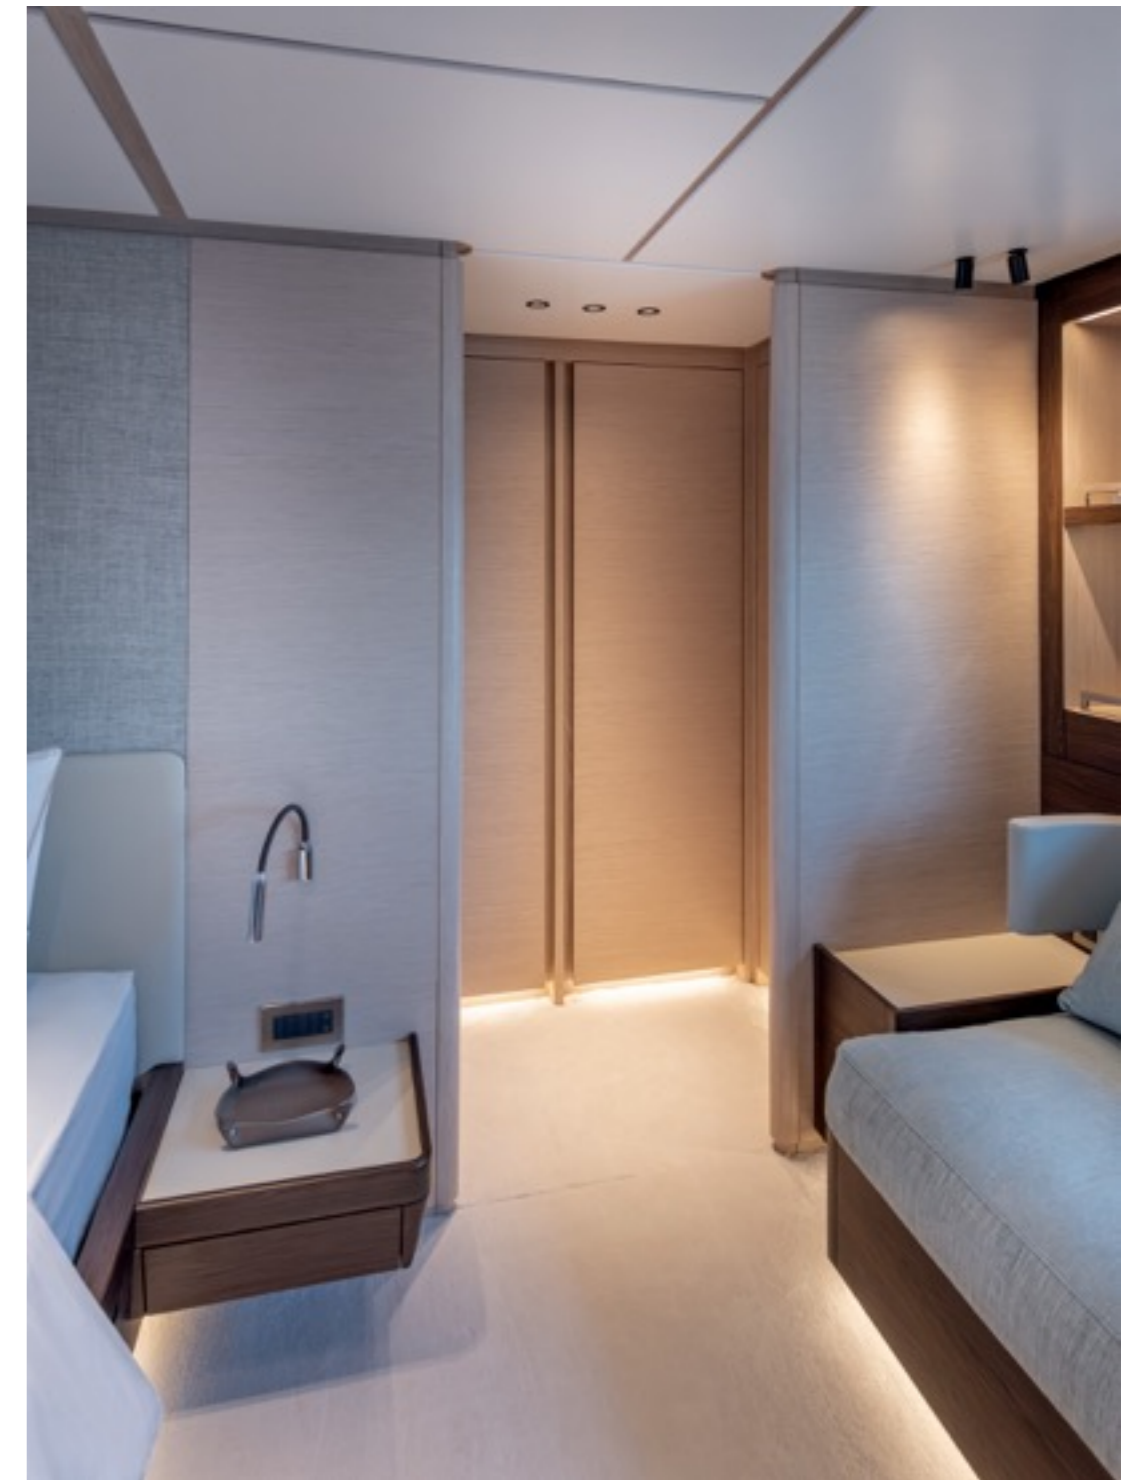

The design doesn't shout for attention but instead commands it with a quiet, confident allure. Subtle color palettes, clean lines, and tasteful furnishings set the stage for a serene and inviting atmosphere.

Unique Comfort

Comfort is key in the Alen 77 interiors. Plush furnishings, sumptuous textiles, and ergonomic design elements ensure that every moment on board is a delight for all your senses. Sink into a cozy chair, relax on a luxurious sofa, or recline in the spacious master suite; every detail is curated for your comfort.

The yacht's interior design features soft, rounded edges that provide not only an elegant visual appeal but also enhance safety. With no sharp corners, you and your guests can move freely and confidently throughout the vessel, especially while at sea.

When it comes to luxury living aboard our yacht, one of the defining features is the abundance of space. Our rooms are designed to be expansive, providing a sense of openness, freedom, and relaxation.

Whether you're retreating to your private suite, gathering in the salon, or indulging in a spa-like bathroom, every room offers a wealth of space to make you feel right at home on the water.

Each guest stateroom is generously sized, ensuring that everyone aboard enjoys their own personal space. The spacious rooms are beautifully appointed and come with en-suite bathrooms for added convenience and luxury.

Prepare to embark on aquatic adventures like never before with our yacht's dedicated tender garage, specially designed to accommodate your Williams 345 tender and an array of water toys. This seamlessly integrated space provides you with the convenience to explore the waters at your leisure.

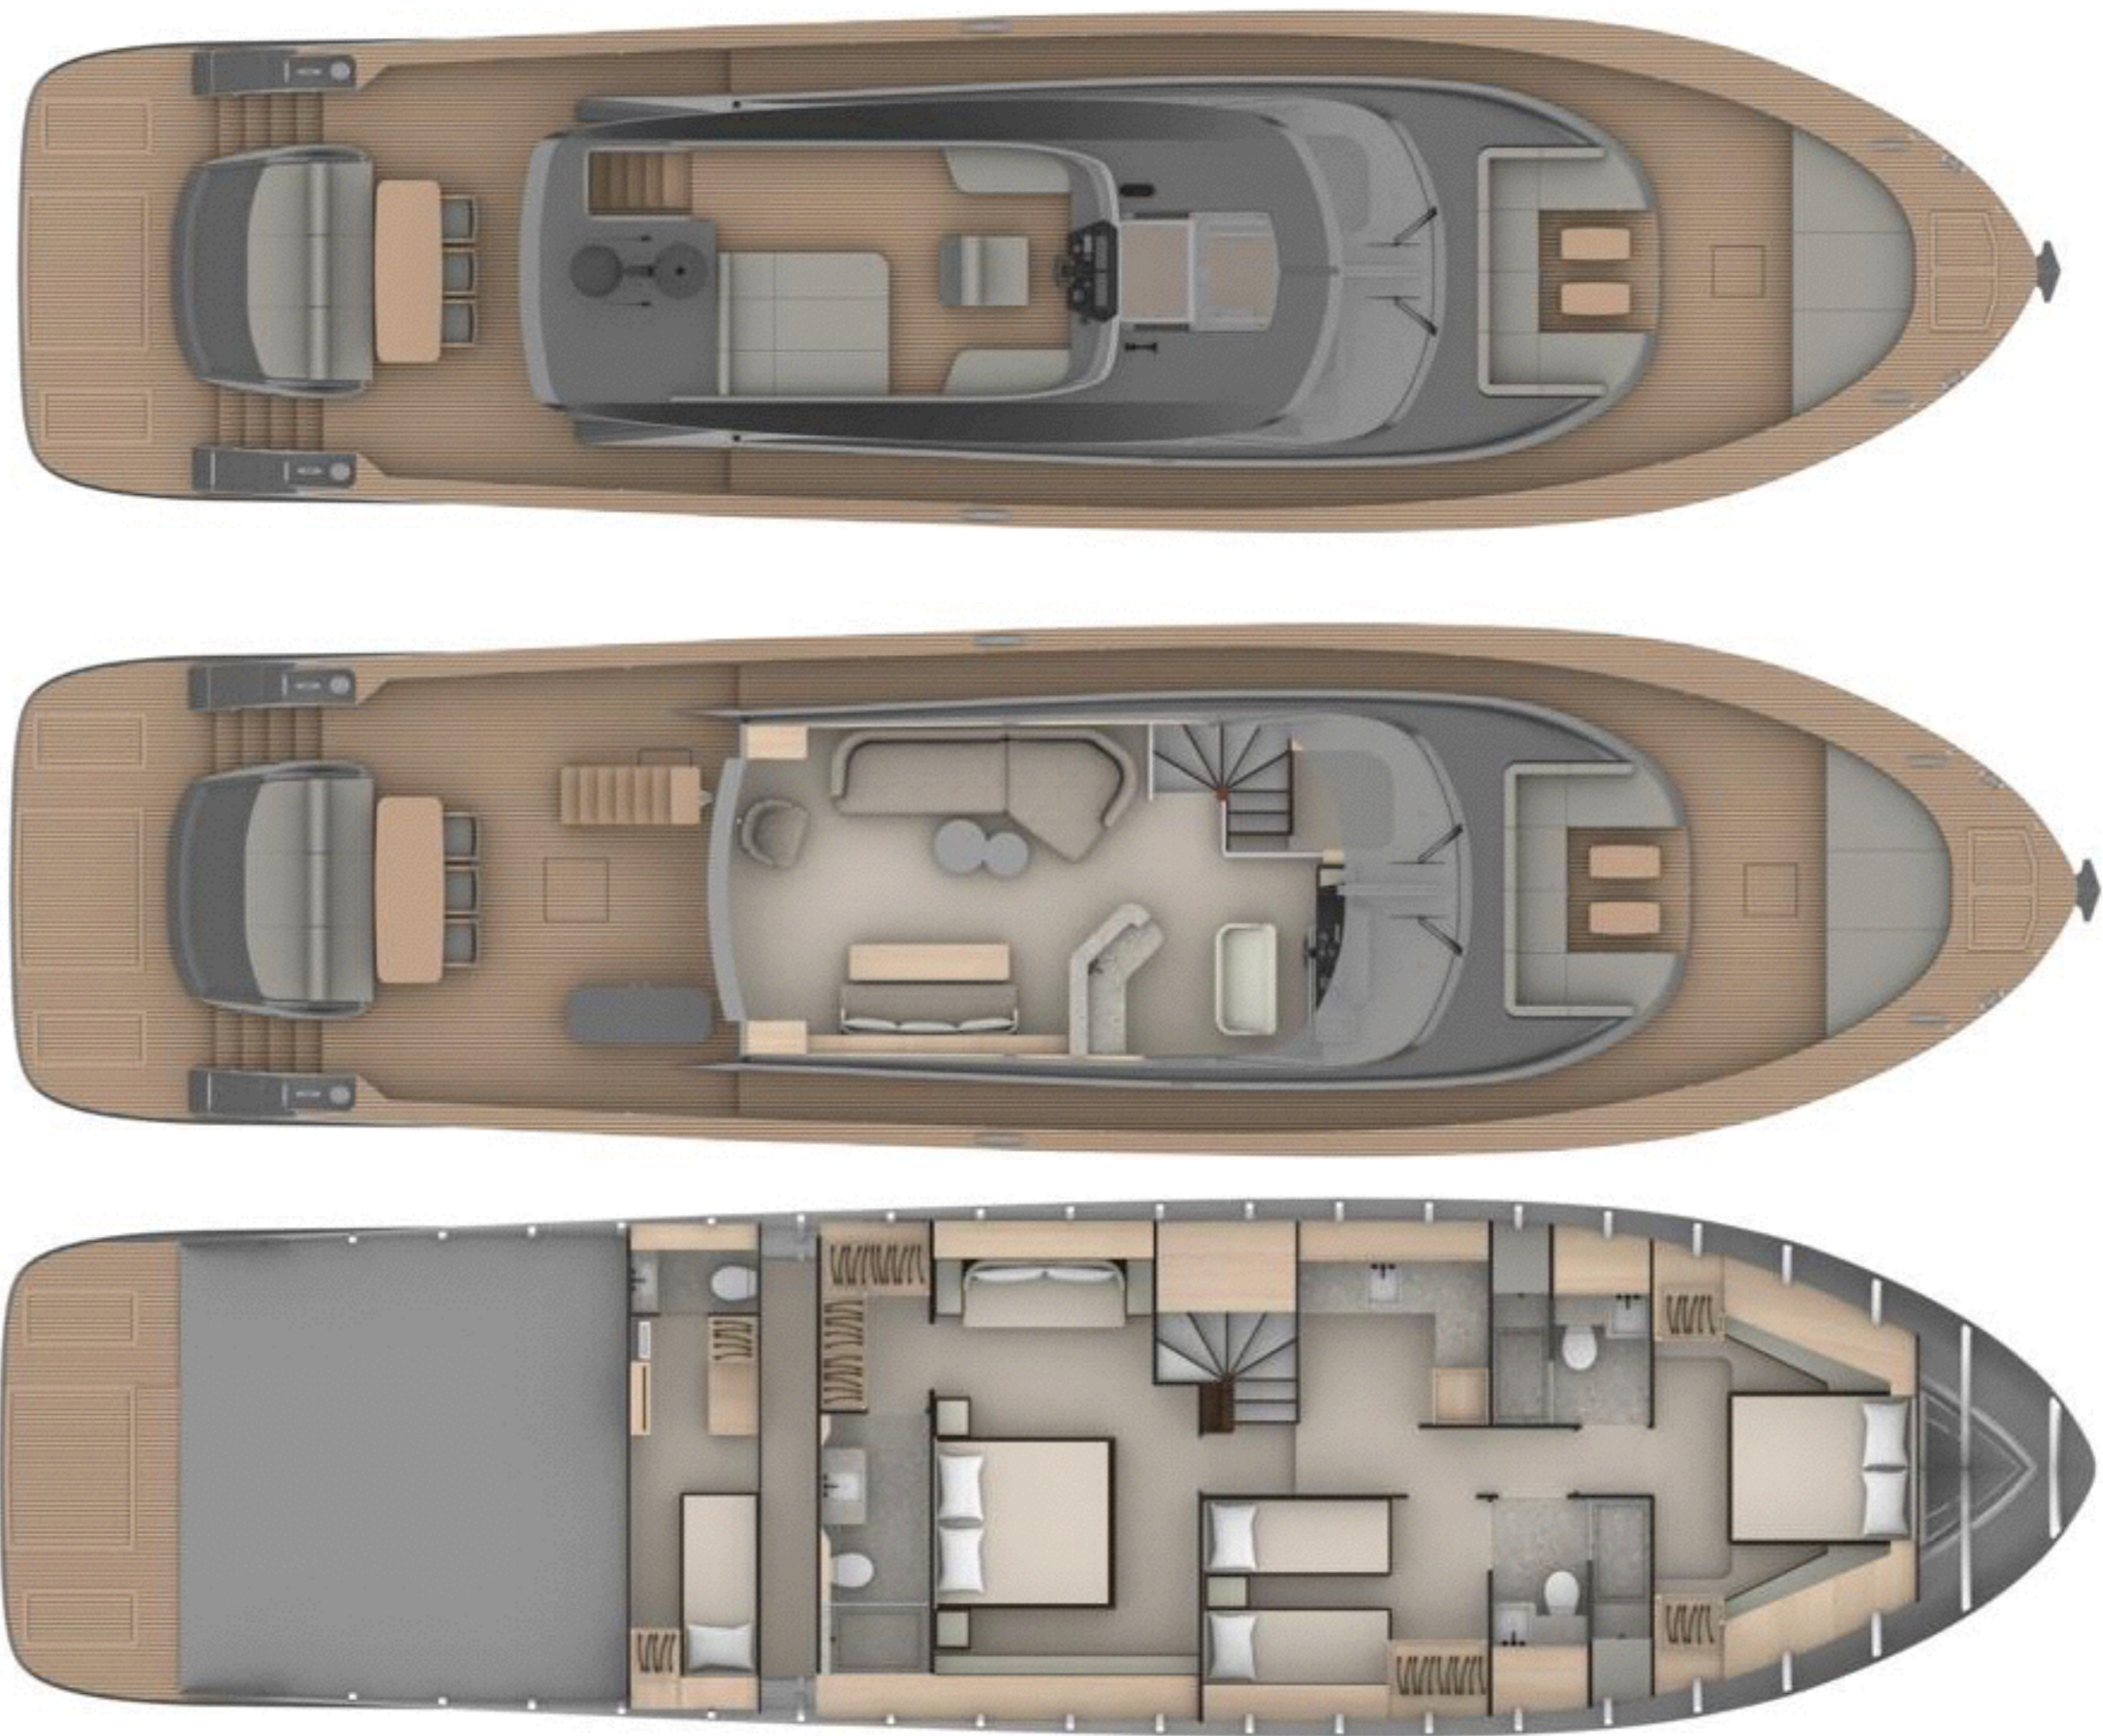

The engine room is not merely a utilitarian space; it's a showcase of meticulous craftsmanship. Every surface, from the gleaming metallic components to the polished flooring, is designed and maintained to the highest standards of precision and aesthetics.

What sets our vessel apart is that even this essential, functional space is finished to perfection. It's a testament to our unwavering commitment to excellence, ensuring that the beauty and precision found throughout the yacht extend into every corner, including the engine room.

With every component in top condition and a design that minimizes vibrations and noise, our yacht is not only beautiful but also powerful and efficient.

A luxury yacht is shown from a low angle on the deck, looking towards the bow. The yacht's name, 'ALEN YACHT', is prominently displayed in large, metallic, 3D block letters on the dark hull. A large, stylized letter 'A' is positioned above the name. The background features a sunset over the ocean, with the sun low on the horizon and its light reflecting on the water. The sky is filled with soft, colorful clouds in shades of orange, yellow, and blue. The yacht's deck is made of dark wood planking, and a curved stainless steel railing is visible in the foreground.
